

CUMNOR GARDENING CLUB.

WINE & NIBBLES AT ASHBROOK WATER GARDEN, BLEWBURY. SATURDAY JULY 13th, 2024.

The Garden, owned by Anita Randal, is in the village of Blewbury, near Didcot. The water garden was created around a trout stream in the middle of the village. We will meet at **6.00pm** and after an introductory talk there will be nibbles and wine and you are free to walk around. Anita invites you to paddle in the stream if you so wish. Toilets are in the village hall close by, and if the weather is inclement our nibbles and wine will be taken there too.
