

Cumnor Gardening Club

Nomination to join the committee

We need more volunteers to help with the running of the club, and we welcome new committee members. If you would like to apply to join the committee, you will need a proposer and a seconder. Most of us join as general committee members and learn as we go, however we are currently lacking a Treasurer and a Chair and would particularly appreciate volunteers to take on these roles (with the help of the previous office holders). No experience necessary, just enthusiasm!

Please indicate below if your nominee is willing to become Treasurer or Chair.

We the undersigned nominate: *Print name*

to become a member of the CGC executive committee/Treasurer/Chair.

SIGNATURES: Nominee

Proposer

Secunder
