

Cumnor Gardening Club.

Visit to Adwell House, nr Thame. Thursday March 26th 2026.

The gardens at Adwell House have ancient origins and now have a large collection of beautiful daffodils. The Head Gardener will give us an exclusive tour. He will show us the walled garden and some of the 40,000 daffodils of 350 varieties planted alongside the beautiful meandering stream and lakes. The tour will be followed by a cream tea.

Our visit will begin at **2.00pm** . The visit involves some walking on flat ground and sensible shoes are suggested. There is some access for those with walking difficulties by the stream depending on how much rain there has been. The estate is approximately 10 minutes from Junction 6 of the M40 or can be reached by other non-motorway routes.
